

LETHAL RETRIBUTION
Written by Pradip Atluri

FADE IN:

EXT. SOLACE CITY, UTAH - NIGHT

An Ariel view of the city slowly descends to the highway and stops at a flying piece of newspaper on fire till it settles down on the road, turning into ashes. We hear the ROAR of a sports bike as it speeds up.

ALEC (V.O.)

Crime runs the city. A glorious
past is in ashes now. No guilt, no
remorse... crime is the right way
of life in Solace city.

Suddenly, a bike zooms past the charred paper, and we follow it on the streets, passing by the abandoned and decapitated factories and buildings.

ALEC (V.O.)

Dad said this place is heaven. He
was a good cop, killed in the
transformation from heaven to hell.

A WOMAN on the sidewalk is screaming for help as she is robbed. We pass by her.

ALEC (V.O.)

Nobody cares. Selfishness dominates
the way of life here. 'Cop' is a
synonym for corruption.

A gang of bikers arrives from the opposite direction. The biker diverts into a little street and speeds away as firearms are shot at him. The biker dodges the bullets, showing his skills, and finally stops in front of a house. ALEC, 24, Caucasian, with dark hair, lean athletically built, removes his helmet, gets off the bike and enters the house.

INT. ALEC'S HOUSE - NIGHT

LEO, 26, Caucasian, flaming orange-dyed hair, well built, is about to leave the house.

LEO

Where were you all day?

ALEC

Why do you care?

2.

LEO
I don't. Francis got a lead on
Dad's killer. I am going there.

Leo takes out a piece of paper and hands it to Alec.

LEO (CONT'D)
Here is Sara's address, just in
case. She is the one you can trust.

ALEC
You don't have to do this alone. I
can help.

LEO
Help yourself. Bye.

ALEC
Suit yourself. Bye.

Leo smirks and leaves the house.

ALEC (V.O.)
Leo joined the gang in his quest to
avenge our dad's murder.

Alec CALLS SOMEONE on the phone.

ALEC
Where are you?

MAN ON PHONE
NORTH WOODS, SECTOR 67, CABIN 12

FADE OUT.

EXT. STREETS - NIGHT

LEVEL 1 - MEETING MIKEY (INTERACTIVE)

Alec is riding the bike. He has to reach Cabin 12 at Sector
67.

ALEC (V.O.)
Dad was killed on duty when he
intervened in a gang race. We were
little then.

A few BIKERS zoom past him. Suddenly someone shoots at Alec's
bike.

3.

Alec needs to ride as quickly as possible to avoid conflict with the GANG MEMBERS and to reach the destination. This is a level to showcase the players' riding skills.

FADE TO BLACK.

EXT. CABIN - NIGHT

Alec reaches the woods, parks the bike, and enters the cabin.

ALEC (V.O.)

Mikey was dad's partner. He adopted us after dad got killed. He is retired now and works in security.

INT. CABIN - NIGHT

MIKEY 50 is sitting at the table. Alec strolls over and sits on the chair beside him.

ALEC

Whose cabin is this?

MIKEY

My friends. Got a security job for you at Marvel Metal Warehouse.

ALEC

(Dejected)

Great.

Mikey senses something is wrong.

MIKEY

What's wrong? You don't like the job?

ALEC

Not that... It's just that... I think Leo is in danger.

MIKEY

What makes you think that?

ALEC

He said he got some lead on Dad's killer. He went after him today.

Suddenly, the cabin is attacked with bullets from all around. Mikey tilts the table to take cover. Alec joins him behind the table. Mikey hands Alec a gun and some mags.

4.

MIKEY

Take this and get out of here from
the back door.

ALEC

No... I can't leave you here.

MIKEY

Just go, I can take care of myself.

Alec hesitantly crawls to the back door.

FADE TO BLACK.

EXT. CABIN - NIGHT

LEVEL 2 - ESCAPING HOME (INTERACTIVE)

Alec has to get out of the house and reach his bike, unhurt, using the handgun. This level will test his shooting skills and riding skills. He can also accumulate arms from the gang members after they are killed. He has three lives. Three BIKERS will follow him and also shoot him occasionally while chasing. He has to avoid them and reach home safely without leading them. He can also use his handgun on the gang members while riding. Nitro power has to be used carefully. Nitro stealing from other bikes is part of the game.

FADE TO BLACK.

INT. ALEC'S HOUSE - NIGHT

Alec reaches home and sits on the couch. Suddenly, there is a bang on the door as if someone has collapsed. He goes to the door and opens it cautiously. Leo is lying down, injured on the porch from bullets. His sweatshirt is red with blood. Alec holds Leo in his arms.

ALEC

Who did this, Leo? Who the fuck was
it?

Leo is gasping for air.

LEO

(Gasping)
Ahh... Vic... Victor is...

Leo died after MUTTERING those words. Alec SCREAMS in ANGER.

FADE TO BLACK.

5.

EXT. CEMETERY - DAY

Leo is getting a burial. The PRIEST says the last prayer. Alec stands there with the piece of paper given to him by his brother. The Paper reads "26 LAPORT AVE. SECTOR 15". Mikey comes from behind and pats Alec, comforting him. Alec tries to leave.

MIKEY

Where are you going?

ALEC

I have to go.

MIKEY

The city is under curfew. It's dangerous.

ALEC

I don't care.

Alec leaves the cemetery.

FADE TO BLACK.

EXT. STREET - DAY

LEVEL 3 - MEETING SARA (INTERACTIVE)

Alec is riding on the deserted street to reach Sara. The curfew is on. Suddenly the COPS chase him. The task is to avoid the cops and reach the address safely. The players will be tested on their driving skills, taking detours, and will have to trace the address. Killing a cop is unacceptable. You will end up in prison, and the game ends.

FADE OUT.

EXT. SARA'S HOUSE - NIGHT

Alec reaches Sara's house and parks the bike outside. He knocks on the door, but no one answers. He finds out the door is open, so he enters slowly.

INT. SARA'S HOUSE - NIGHT

Alec enters the living room to see SARA 25 lying dead in a pool of blood.

ALEC

What the fuck!?!

6.

Alec is shocked by the scene and doesn't know what to do. He stands there and stares at the body.

Suddenly, he hears a bike parking. He runs out of the house.

FADE TO BLACK.

EXT. STREET - NIGHT

LEVEL 4 - RUN ALEC RUN (INTERACTIVE)

Alec rides as fast as he can to reach his house. He is followed by the same BIKER who was at Sara's house. The city is on curfew, so he has to avoid the cops. He will have to take little adjacent streets to get rid of the biker. The players' riding skills and detours will be tested to the core.

FADE OUT.

INT. ALEC'S HOUSE - NIGHT

Alec reaches home and is still shocked at the events that happened so far.

ALEC (V.O.)

What the fuck is happening? Sara is
dead too. Someone attacked Mikey.
This is some deep shit.

SOMEONE knocks on the door. Alec stands in the living room and SCREAMS.

ALEC

WHO IS IT?

The PERSON on the other side shoots the door knob and opens the door. JETT 23, with blonde hair, wearing a leather jacket, enters the house with a gun pointing at Alec's face. Alec raises his hands in the air.

JETT

This is for my SISTER, you piece of
shit!

Jett cocks the gun.

ALEC

What the fuck? I didn't kill her.

7.

JETT
You were there, you asshole. And
you ran.

Alec tries to come towards her.

JETT (CONT'D)
Don't move, you fucktard . If you
come an inch closer, I will blow
your brains out.

ALEC
Ok... ok... Calm down. I didn't kill
her. Leo told me to meet her in
case of an emergency.

Jett calms down a bit and lowers the gun to his chest.

JETT
Why?

ALEC
Leo is my brother. He was killed
yesterday. He told me to meet Sara
if things go wrong.

Jett lowers her gun and goes to the couch. She sits on the
edge of the couch and starts crying. Alec looks at her in
empathy.

JETT
Leo was Sara's boyfriend. Who the
fuck killed them?

ALEC
Maybe the Scorpio gang members. Leo
got the lead on our dad's killer.
He mentioned a name...

Suddenly the house is attacked by machine guns. Alec and Jett
take cover behind the couch. Alec crawls towards the garage.
Jett follows him. They get on the two spare bikes and zoom
out of the house.

FADE TO BLACK.

EXT. STREETS - NIGHT

LEVEL 5 - WILD CHASE (INTERACTIVE)

Alec has to follow Jett to the place of safety, dodging
gunshots from the following BIKERS and avoiding COPS on the
way.

8.

At this level, Alec witnesses Jett's riding and combating skills and tries to imitate them. They both have handguns for safety. Both bikes have nitro power as well.

FADE OUT.
